

Lew Doty & Friends

Welcome Home to Joy

Lew's music has been influenced over the years by many artists, but he has developed a style that is all his own. His lyrics are filled with spiritual principles. His voice ranges from angelic and tender to smoky and hard-driving. The songs are often deeply contemplative, but easily transition to outrageously joyful and sometimes even humorous in their style.

But the one continuous thread throughout this music is its intention. These songs draw the listener ever closer to Source. And that is their goal. Lew's message is one of acceptance, love, allowing, peace, and connectedness.

Experience a night of fun with family & friends! Rejoice in the sincere spirit that they bring to the stage!
